

EMERGING LEADERS WORKSHOP

Invest in your Leaders Future.

Are you investing in the people that are leading your company into the future?
Do you know who has the greatest impact on organisational performance?
Are you retaining talent and future proofing the performance of your organisation?

INVESTING IN YOUR EMERGING LEADERS IS AN INVESTMENT IN YOUR FUTURE

Our emerging leaders program is a fantastic mix of sound theory and practical application. It delves deeper than just teaching skills by engaging your emerging leaders in practical exercises that highlight the mindsets, beliefs and identity of great leaders.

By attending this workshop your emerging leaders will learn:

- How to transition from technical to people leadership
- The subtle art of inspiring discretionary effort instead of generating compliance
- How to avoid the 5 fundamental failures of teams

INCLUSIONS

- An energiser activity that explores how mindset and beliefs drive behaviour
- A challenging experiential exercise that highlights the distinction between technical and people leadership
- The “Leadership in Context” model that explores how their leadership will need to evolve depending on the context of their role
- The “Levels of Change” Iceberg that outlines how they can make a genuine change to their behaviour
- The keys to leading great teams that reverses the fundamental failures of teams

WHO SHOULD ATTEND

- This one day workshop is suitable for emerging leaders at any stage of their leadership journey.
- Group size can range anywhere between 6 and 24.
- It can be run on or offsite in a venue of your choosing.

INVEST IN YOUR LEADER'S POTENTIAL.
